The Smt. Janakibai Rama Salvi College of Arts, Comm. & Science is committed to maintaining documented performance standards and expectations for all positions within the College and for providing employees with consistent feedback about performance and position responsibilities.

This self-appraisal is intended to help employees objectively reflect on their performance and work situation over the evaluation period and to be prepared to participate actively in the evaluation conversation with their supervisor. It provides the supervisor with valuable information about employee performance, needs, and concerns from the employee's perspective. Employee answers are an annual opportunity for input into what changes could be considered for the good of the department and the College. This form will become part of an employee's permanent personnel record attached to the corresponding performance evaluation form.

- 1) Since your last evaluation, what job-related accomplishments are you most proud of, and why?  
 Since my last evaluation I was made focus on the academic focus on the academic achievements projects, volunteer work, competitions internship and most important academic regards of student.
- 2) Which of your responsibilities did you perform best or improve in the most? What contributed to this?  
 At last evaluation in this programme officer duty performance well, I like to motivate and help our students to become a ideal and very helping nature critics of the society.
- 3) Which of your responsibilities could you have performed better? What affected your performance?  
 I made Industrial visits for my students according to the respective departments which helps to perform better.
- 4) What courses, training, or experience most benefited you since your last evaluation?  
 Computer deep technical knowledge New Educational Policies seminar also helped me to gain new knowledge about it.
- 5) In what areas could you have used more experience or training?  
 Technicals knowledge about ppt computer, training I was most known that it may help to make my students more interesting as internet is today's need for everything so with students I made myself also more good in technical knowledge.

- Since your last evaluation, what job-related accomplishments are you most proud of, and why?  
I have been a part of many Cultural Activities held in the college due to which the participation of students got triple this year which shows positiveness among students which makes me feel proud being head of it.
- Which of your responsibilities did you perform best or improve in the most? What contributed to this? The discipline committee was given to me in which is personally made sure it is followed perfectly and also tried to make necessary actions where there were some flaws in it. Punctuality, obedience, maturity among students were increased.
- Which of your responsibilities could you have performed better? What affected your performance? I think in sports department due to lack of time and management I couldn't give more time for more sports activities. This led to less participation and last moment preparation led to miscommunication and got a bad impression of me in that department.
- What courses, training, or experience most benefited you since your last evaluation? There were many of those like I came to know about the NAAC, NSS like things which were not known to me in details. Also computer deep technical knowledge. New education Policy seminar also helped me to gain new knowledge about it with some qualities like discipline.
- In what areas could you have used more experience or training? Punctuality etc. Sports department is one of the things where I think I could have used experience also there were some more time with me to interact with the students to make them more strong confident about themselves. I wanted more time to interact with students and I have knowledge of human psychology so wanted to make them grow.
